**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner I support broadband competition as much as I support having more choices in the marketplace. I chose a smaller service provider after having bad experiences with AT&T for their excellent customer services in addition to providing the best internet, WiFi, and streaming experience.

And I get this great experience at a reasonable rate. Don't let the big providers set the agenda and pricing for everyone. Keep competition going for a strong and healthy marketplace.

Regards,
